## SITE INITIATIVE

We created this video to highlight the focus on career options along a student's guided pathway. The video may be found at <a href="https://youtu.be/O65zVXZ2-34">https://youtu.be/O65zVXZ2-34</a> (https://youtu.be/O65zVXZ2-34)</a>

## PROGRESS TOWARD STUDENT SUCCESS®

This video shows how students are able to discover career opportunities, decide on a major, and gain experience in the field and then either get their first job or transfer successfully to a university.

- 1. Students can pick one of six career communities for further exploration within that broad field.
- 2. Students attend Career Community events to help narrow down career options, including Deciding Day, which gives students a chance to talk to faculty and staff from different parts of the college about specific careers.
- 3. Students begin to get experience through service learning, internships and practicum experiences.
- 4. Students attend on-campus resources, such as career and transfer fairs, to learn more about jobs and transfer opportunities after they graduate.

To create the video, we:

- 1. Created an outline for the script
- $\mathbf{2.}\ \mathbf{Shot}\ \mathbf{video}\ \mathbf{of}\ \mathbf{major}\ \mathbf{campus}\ \mathbf{events},\ \mathbf{including}\ \mathbf{Transfer}\ \mathbf{Fairs}\ \mathbf{and}\ \mathbf{Deciding}\ \mathbf{Day}$
- 3. Interviewed students from career exploration events and from different stages of the pathway
- 4. Edited the video
- 5. Recorded voice over
- 6. Reviewed copy with internal stakeholders
- 7. Released the video externally

## **IMPACT**

The focus on career choices has helped students find a purpose, graduate in higher numbers, and increase their earning potential. Sharing this video helped reinforce to college employees the importance of discussing career options with students.
